FAST Professional Certification details

Fiery Professional Certification teaches print professionals the necessary skills needed to optimize the performance of Fiery technology solutions. Developed by Fiery subject-matter experts, it provides the latest information on Fiery technologies that will allow you to develop employee skills, enhance professional development, and transform print businesses. We encourage all Fiery customers and partners to become certified.

Registration details provided with your FAST welcome kit allow you to enroll for free (normal fee for Fiery Professional Certification is \$250). You can complete the online learning at your own pace with access anytime, anywhere. To become certified, simply complete all the e-learning components in the certification within 90 days of enrolling. Complete the specially curated e-learning annually to be considered "current". All annual renewals are FREE of charge, as long as you are "current".
