Fiery® Printing System 17
Fiery FS400

Get more from your MFP

Fiery® Printing System 17 for the Kyocera TASKalfa 7054ci Series MFPs makes it easy to produce high-quality finished documents without expert knowledge.

More productivity

Increase employee productivity by reducing time spent waiting for files to process and print. Fiery SmartRIP processes large and graphic rich files such as Microsoft® PowerPoint® or Adobe® PDF to deliver finished prints fast. When many files are queued at the MFP, Fiery technology processes one file while printing another to minimise wait time.

More security

Printing System 17 includes the latest network security standards and authentication mechanisms. User data encryption offers an extra level of protection, and a new, intuitive interface unifies all security settings into one place.

Best out-of-the-box colour

Fiery Edge™ delivers stunning colour with the smoothest colour blends, maximum shadow details, and superb image definition. Accurately reproduce corporate brand colours and match PANTONE® and custom spot colours with Fiery Spot-On™.

More personalisation

With the included Fiery FreeForm™ Create application, you can quickly and simply personalise existing files for free – with no additional software required. Add variable elements such as text, images, or barcodes with just a few clicks.

More layout options

Fiery VUE, a free 3D "visual print application", helps you print professional materials in a few clicks—ideal for applications such as printed presentations, booklets, sales guides, and training manuals.

Fiery

Fiery Printing System 17 specifications

Fiery Driven™ engines

- Kyocera TASKalfa 4054ci / 5054ci / 6054ci / 7054ci
- Copystar CS 4054ci / 5054ci / 6054ci / 7054ci
- Supports all engine finishing devices

Hardware and platform

- Intel® Pentium® processor G4400, 3.3 GHz
- 4 GB RAM
- 500 GB HDD
- USB media server
- Linux operating system
- Fiery Installer Builder
- Fiery FS400 software

File format support

- Adobe® PostScript® Level 1, 2, 3
- Adobe PDF
- Enhanced PCL® 6/PCL 5
- Microsoft® Native Formats (doc/x, xls/x, pub/x, ppt/x) via the Fiery driver or Fiery Hot Folders (optional)

Fiery colour and imaging technology

- Fiery Edge™ color profiles
- Fiery ColorWise® colour management technology
- Fiery Calibrator
- PANTONE® Color Enabled
- Image smoothing
- Fiery Spot-On™
- Fiery Image Enhance Visual Editor (optional)
- Auto trapping

Performance

- SmartRIP
- Spool-RIP-print simultaneously

Productivity and workflow

- Fiery Command WorkStation®
- Fiery drivers for Windows® and Mac®
- Fiery WebTools™
- Booklet Maker
- Fiery Hot Folders/Virtual Printers (optional)
- Direct mobile printing
- Fiery Go (Android® and iOS)

Variable Data Printing (VDP)

- Fiery FreeForm™ Create
- Fiery FreeForm Plus
- VDP record range printing
- Optimized PostScript® and PDF
- Define record length
- Record and set level finishing support
- VDP raster preview

Networking/ connectivity

- TCP/IP, AppleTalk, Bonjour support, SNMP, Port 9100, IPP, FTP, SMB, WSD, point and print, print via email, IPv6 support, LDAP Authentication

Adobe interpreter support

- CPSI version 3020
- Adobe PDF Print Engine 5* (option)

Security

- Secure erase, User data encryption, Security Profiles, Port-based network access controls, 802.1x advanced authentication methods, Port blocking, IP filtering, IPsec network encryption, Secure connections using HTTPs with support for TLS 1.3, Secure printing
- USB security prevents connecting external storage devices
- Closed architecture prevents installation of unauthorized programs that could potentially expose the system to vulnerabilities
- Digitally signed software updates
- PostScript security

EMC/Safety

- FCC and ICES (US & Canada)
- RCM (Australia & New Zealand)
- CE Mark (EU)
- VCCI (Japan)
- CB Certificate 60950-1 and 62368-1 standards

Power supply and consumption

- Auto-switching: 100–240 VAC
- 50/60 Hz, 3 Amps @100 VAC, 1.5 Amps @240 VAC
- Maximum / typical power usage: 180 W / 75 W

Optional Fiery software and hardware

- Fiery Hot Folders/Virtual Printers
- Fiery Automation Package****
  - Fiery Hot Folders/Virtual Printers, Hot Folder Filters, Rush Print, Schedule Print, Print/Process Next, Fiery Preflight, Fiery JobFlow™ Base, Fiery JDF
- Fiery ColorRight Package****
  - Fiery Spot Pro, Fiery ImageViewer, Fiery Image Enhance Visual Editor, Fiery Postflight, Control Bar
- Fiery Adobe PDF Print Engine Package (includes 4 GB RAM)
- Fiery Impose***
- Fiery Compose***
- Fiery Impose-Compose
- Fiery JobFlow*** (requires Fiery Automation Package)
- Fiery Color Profiler Suite** with EFI ES-3000 spectrophotometer
- EFI ES-3000 spectrophotometer
- Adobe Acrobat Pro/Enfocus PitStop Edit
- EFI IQ
  - EFI IQ Dashboard (free)
  - EFI Insight (free)
  - EFI Go
  - EFI ColorGuard****
  - EFI Manage
